**Cleveland Browns
Stadium
—By Zalman**

A very memorable day for me was June 17th, the day I got to visit the Brown Stadium for the first time. The tour was great and included seeing the playing field and viewing the players locker room. There was an awesome view from the news-room...you could see the whole stadium! The tour guide gave a lot of information about the Cleveland Browns history. I would suggest all Browns fans visit the stadium. To find out more information on your own please visit www.clevelandbrowns.com

**Cleveland Indians
—By Desi**

The Cleveland Indians are on a roll (especially at home)! The Indians have a Major League best with a 29-15 (overall) record and 18-4 at home. It is their best start through 44 games since 2001. The Indians hitters are swinging their bats well and getting some timely hitting when they need it; most notably is Asdrubal Cabrera. Cabrera become the first player since Victor Martinez to have 5/5 RBI’s in a single game. Martinez accomplished the feat when he was with Indians back in 2004. Indians skipper Manny Acta says of Cabrera, ‘We know Asdrubal’s one of the best at his position (short stop), and we’re glad to have him.’ Cabrera recorded his ninth home run of the season as the Indians completed a three game sweep of the Cincinnati Reds at Progressive Field with a 12-4 win. I had no idea the Indians would be this hot and play this well through the first half of the season. Go Tribe!

**Music Corner
—By Keri**

Usher Raymond is one of the most influential artist of our generation. He has the style, the moves, and the looks to go along with his great musical talents. Having sold over 65 million records nationwide, he is one of the best-selling musical artists of all time. Billboard Magazine named him the second most successful artist of the 2000’s. His very successful *Confessions* album ranked as the top solo album of the last decade. Usher then tapped into another facet of his professional career by taking on acting. Usher made his acting debut on the popular television series, *Moesha*, which land him a host of other roles in television and film. He was also cast in the soap opera, *The Bold and the Beautiful*. I really enjoy his music because its like journey through his life and his music tells a story that only he can tell.
