UPDATES

Last year was our first *Team Niko Golf Outing* and thanks to many of you it was a HUGE success! We raised over \$6,000 for United Cerebral Palsy.

Since last years outing Niko has made more progress with the services provided by UCP. He can now walk independently for a few feet. A MAJOR milestone for him!

You might have seen on ESPN, AOL, Yahoo Sports and/or many other media sites how Niko got the surprise of a lifetime at a Cleveland Indians game by players Carlos Santana and Jason Kipnis. For those who did not see it, you can google Niko Lanzarotta and see the amazing stories of Niko's surprise. It is a must watch!!

For those who attended last year's Golf Outing you may remember Mike and Kasia were expecting twins. Below are the newest additions to the Lanzarotta family!!
