

VOLUNTEER OPPORTUNITIES

Race Day Volunteers (Sunday, July 23, 2017; various shifts; earliest begins at 5:00am):

Body Marking - Mark each racer's arms and legs with their racer numbers.

Directional Volunteers - Point race participants in the right direction! Must be comfortable giving directions and be familiar with the Race Route.

Youth Course Volunteers - Assist and point our youngest athletes in the right direction. (These volunteers arrive around 7:30am)

Finish Line - Assist race staff with finish line set-up and timing.

Fluid Stations - Help fill cups with water and distribute to participants. Clean up during and after race participants pass your area.

Transition Area - Assist with transition coordination and security. Direct athletes to bike rack locations. *One of the most exciting locations to watch the event!*

Other - Often times, volunteer opportunities arise the day of the race that are not described above.

To volunteer, contact Emily Hastings at ehastings@ucpcleveland.org or 216-453-4944.

Volunteers under the age of 16 must accompanied by an adult.
