UCP of Greater Cleveland is proud to announce the **Race to Empower 5K**, an inaugural fundraising event to be held on Sunday, April 21, 2013. The race will begin and end at UCP of Greater Cleveland's Iris S. and Bert L. Wolstein Center, 10011 Euclid Avenue in Cleveland, Ohio. The event is expected to attract over 300 area runners, athletes and family members of individuals served by UCP, as well as volunteers and spectators.

UCP of Greater Cleveland would like to encourage you to be a part of this inaugural event. Being a sponsor of the Race to Empower 5K is a great opportunity to be a part of a worthwhile cause while illustrating corporate citizenship and commitment to the greater community. Each dollar raised will directly benefit high quality pediatric therapy and support services for children with disabilities and their families, as well as vocational and residential services for adults with disabilities.

*We rely upon the generous support of philanthropic partners in the community to offer quality programming to over 1,500 individuals with disabilities each year. Your sponsorship will allow us to continue to **empower children and adults with disabilities to advance their independence, productivity and inclusion in the community***
