

CAMP LEAFBRIDGE

ESY CAMP AT CUYAHOGA HEIGHTS

“Camp LeafBridge – Extended School Year Collaborative” is being generously hosted by Cuyahoga Heights Schools. It is an activity-based summer camp for students with mild to moderate learning differences. This unique camp program offers expert level interventions while addressing Individualized Education Program (IEP) goals through Extended School Year (ESY) services. Camp activities are planned and coordinated by a highly skilled team from LeafBridge at UCP of Greater Cleveland. Specialists will be available from the areas of special education and physical, occupational, and speech therapies.

Camp LeafBridge promotes progress and minimizes loss of skills during the summer months for:

- Students with mild to moderate learning differences
- Students who benefit from low staff to student ratio of no more than 3:1 to optimize learning opportunities
- Students with excessive absences during the school year
- Students who require alternative learning strategies to solidify learning concepts including learning through movement, play, songs, pictures, and experiences.

Common goal areas addressed in Camp LeafBridge:

- Fine Motor Coordination for hand writing, typing, etc.
- Communication skills
- Social skills
- Self – Care for school accessibility
- Functional Mobility
- Visual Motor Integration
- Pre-vocational skills
- Assistive Technology skills for computer access, augmentative and alternative communication, and educational technology
- Self-Regulation through self-awareness and sensory integration
