

UCP of Greater Cleveland has learned of continued road closures in the vicinity of our Wolstein Center located at E. 101<sup>st</sup> Street and Euclid Avenue. These closures may remain in place through the end of day, Thursday, October 1<sup>st</sup>. Please use the following route:

Take E. 105<sup>th</sup> Street to Chester Avenue. Head west on Chester Avenue to E. 101<sup>st</sup> Street as the westbound lanes of Chester between E. 105<sup>th</sup> Street and E. 101<sup>st</sup> Street will be open. Turn left (southbound) on E. 101<sup>st</sup> Street. If you typically enter our front parking lot, do so. If you typically go to our rear door and/or rear parking lot, please enter the driveway north of the front lot (near our dock area) in order to follow the alley behind our building. Staff can then park there and vans can turn around there. All must then exit our front and rear lots via E. 101<sup>st</sup> Street, left to Chester (northbound), and right on Chester (eastbound) – the same route taken to get there.

If you have questions and/or need further direction, please call George at 440-525-1927 or Andy at 216-302-8774 on Thursday morning. You can also call our main number at 216-791-8363 early Thursday morning. We apologize for this late notice and the inconvenience.
