

Good Morning and Happy Monday!

On December 7th 1950, 70 years ago, UCP of Greater Cleveland officially became a non-profit organization in Ohio. If we were not experiencing a pandemic, we would all be feasting on birthday cake today!

Take pride in knowing that you play a key role in continuing this wonderful organization's mission to empower children and adults with disabilities to advance their independence, productivity and inclusion. Together, you continue to offer your compassion and expertise to improve the quality of life for so many. Your work makes a meaningful difference every day.

Happy 70th Birthday UCP of Greater Cleveland!

Have a good week and, as always, thank you for all you do.

Trish
