

Hello Everyone,

I am pleased to inform you that UCP has actively secured vaccines for those staff that would like to be vaccinated. If you choose to receive the vaccine, you must register by this Friday (1/8/2021) at 5pm. You can register by clicking the following link and completing all fields: <https://bit.ly/3rYXE6l>.

CVS is our chosen vaccination provider and will be setting up clinics at Wolstein. Once you have registered you will receive a confirmation email from me with the date and time of your vaccination. In this email you will also receive information on what to expect prior to your vaccination, what to expect after and a list of information required to complete registration. Please keep in mind that this vaccine is a 2-shot series and CVS is currently administering the Pfizer vaccine, however UCP has not been guaranteed which vaccine CVS will administer.

We are happy to announce that we will be doing a raffle for those that complete the vaccine series in which 5 winners can win a paid day off and there will be one grand prize winner that will receive \$500!

If you have any questions or concerns, please feel free to contact me directly at [bgeorge@ucpcleveland.org](mailto:bgeorge@ucpcleveland.org) or 216-299-6995.

Thank you,
