Enrollment

Eligible Persons may enroll themselves and their Dependents for coverage under the Policy during any enrollment period by submitting a form provided or approved by the Company. In addition, new Eligible Persons and new Dependents may be enrolled as described below. Dependents of an Eligible Person may not be enrolled unless the Eligible Person is also enrolled for coverage under the Policy.

Coverage for a Newly Eligible Dependent

You may make coverage changes during the year for any Dependent whose status as a Dependent is affected by a marriage, divorce, legal separation, annulment, birth, legal guardianship, placement for adoption or adoption, as required by federal law. In such cases you must submit the required contribution of coverage and a properly completed enrollment form within 31 days of the marriage, birth, placement for adoption or adoption. Otherwise, you will need to wait until the next enrollment period.

Section 3: Termination Provisions

Termination of Coverage

A Covered Person's coverage, including coverage for Services rendered after the date of termination for conditions arising prior to the date of termination, will automatically terminate on the earliest of the dates specified below:

1. The date the entire Policy is terminated for the reasons specified in the Policy. The Enrolling Group is responsible for notifying the Subscriber of the termination of the Policy.
2. The last day of the month during which the Covered Person ceases to be an Eligible Person.
3. The date requested in such notice when the Company receives written notice from either the Subscriber or the Enrolling Group instructing the Company to terminate coverage of the Subscriber or any Covered Person.
4. The date the Subscriber is retired or pensioned under the Enrolling Group's plan, unless a specific coverage classification is specified for retired or pensioned persons in the Enrolling Group's application and the Subscriber continues to meet any applicable eligibility requirements.

When any of the following apply, the Company will provide written notice of termination to the Subscriber:

5. The date specified by the Company that all coverage will terminate due to fraud or misrepresentation or because the Subscriber knowingly provided the Company with false material information. Such information may include, but is not limited to, information relating to residence, information relating to another person's eligibility for coverage or status as a Dependent. The Company has the right to rescind coverage back to the Policy Effective Date.
6. The date specified by the Company that coverage will terminate due to material violation of the terms of the Policy.
7. The date specified by the Company that the Covered Person's coverage will terminate because the Covered Person has committed acts of physical or verbal abuse that pose a threat to the Company's staff, a provider, or other Covered Persons.
8. The date specified by the Company that all coverage will terminate because the Covered Person permitted the use of his or her ID card by any unauthorized person or used another person's card.
9. The date specified by the Company that your coverage will terminate because the Subscriber failed to pay a required Premium.

If covered Services are in progress on the date which coverage terminates, such Services will be completed, except where termination is due to fraud, misrepresentation, material violation of the terms of the Policy, failure to pay required Premiums, or acts of physical or verbal abuse.

Reimbursement for Services

The Covered Person will be responsible for any claims paid by the Company when coverage was provided in error, except where that error was made by the Company.

Extended Coverage for Handicapped Dependent Children

Coverage of an unmarried Enrolled Dependent who is incapable of self-support because of mental retardation or physical handicap will be continued beyond the limiting age provided that:

- A. The Enrolled Dependent becomes so incapacitated prior to attainment of the limiting age;
- B. The Enrolled Dependent is chiefly dependent upon the Subscriber for support and maintenance;

- C. Proof of such incapacity and dependence is furnished to the Company within 31 days of the date the Subscriber receives a request for such proof from the Company; and
- D. Payment of any required contribution for the Enrolled Dependent is continued.

Coverage will continue so long as the Enrolled Dependent continues to be so incapacitated and dependent, unless otherwise terminated in accordance with the terms of the Policy. Before granting this extension, the Company may reasonably require that the Enrolled Dependent be examined at the Company's expense by a physician designated by the Company. At reasonable intervals, the Company may require satisfactory proof of the Enrolled Dependent's continued incapacity and dependency, including medical examinations at the Company's expense. Such proof will not be required more often than once a year. Failure to provide such satisfactory proof within 31 days of the request by the Company will result in the termination of the Enrolled Dependent's coverage under the Policy.

Section 4: Benefits

Amendments and Alterations

Amendments to the Policy are effective upon 31 days written notice to the Enrolling Group. Riders are effective on the date specified by the Company. No change will be made to the Policy unless it is made by an Amendment or a Rider that is signed by an officer of the Company. No agent has authority to change the Policy or to waive any of its provisions.

No statement made by the Enrolling Group, except a fraudulent statement, will be used to void this Policy after it has been in force for a period of 2 years.

Relationship Between Parties

The relationships between the Company and providers, and the relationship between the Company and the Enrolling Group, are solely contractual relationships between independent contractors. Providers and the Enrolling Group are not agents or employees of the Company, nor is the Company or any employee of the Company an agent or employee of providers or of the Enrolling Group.

The relationship between a provider and any Covered Person is that of provider and patient. The provider is solely responsible for the services provided by it to any Covered Person. The Enrolling Group is solely responsible for enrollment and coverage classification changes (including termination of a Covered Person's coverage through the Company) and for the timely payment of the Policy Charge.

Clerical Error

If a clerical error or other mistake occurs, that error will not deprive you of coverage under the Policy. A clerical error also does not create a right to benefits.

Notice

When the Company provides written notice regarding administration of the Policy to an authorized representative of the Enrolling Group, that notice is deemed notice to all affected Subscribers and their Enrolled Dependents. The Enrolling Group is responsible for giving notice to Covered Persons.

Workers' Compensation Not Affected

The coverage provided under the Policy does not substitute for and does not affect any requirements for coverage by workers' compensation insurance.

Conformity with Statutes

Any provision of the Policy which, on its effective date, is in conflict with the requirements of state or federal statutes or regulations (of the jurisdiction in which delivered) is hereby amended to conform to the minimum requirements of such statutes and regulations.

Waiver/Estoppel

Nothing in the Policy, *Certificate* or *Table of Benefits* is considered to be waived by any party unless the party claiming the waiver receives the waiver in writing. A waiver of one provision does not constitute a waiver of any other. A failure of either party to enforce at any time any of the provisions of the Policy, *Certificate* or *Table of Benefits*, or to exercise any option which is herein provided, shall in no way be construed to be a waiver of such provision of the Policy, *Certificate* or *Table of Benefits*.

Section 7: Claims

Notice of Claim

Notice of claim as determined by us must be given to us within 365 days of the date such loss begins. The notice must be given with sufficient information to identify the Covered Person. Failure to file such notice within the time required will not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time. However, the notice must be given as soon as reasonably possible.

Payment of Claims

When obtaining Services from a Network Provider, you will be required to pay a Copayment and any charges not covered by the Policy to your Provider. When obtaining Services from a Network Provider, you will not be required to submit a claim form.

When obtaining Services from a non-Network Provider, you will be required to pay all billed charges to your provider. You may then obtain reimbursement from us for the covered portion of Services.

To file a claim for reimbursement for Services rendered by a non-Network Provider, or for Services covered as reimbursements (whether or not rendered by a Network Provider or a non-Network Provider), provide the following information on claim form acceptable to the Company:

Reimbursements are payable in accordance with any state prompt pay requirements after the Company receives acceptable proof of loss.

Examination of Covered Persons

In the event of a question or dispute concerning coverage for vision Services, the Company may reasonably require that a Covered Person be examined at the Company's expense by a Network Provider acceptable to the Company.

Section 8: Complaint Procedures

Complaint Resolution

If you have a concern or question regarding the provision of Services or benefits under the Policy, you should contact the Company's customer service department. Customer service representatives are available to take your call during regular business hours, Monday through Friday. At other times, you may leave a message on voicemail. A customer service representative will return your call. If you would rather send your concern to us in writing at this point, the Company's authorized representative can provide you with the appropriate address.

If the customer service representative cannot resolve the issue to your satisfaction over the phone, he or she can provide you with the appropriate address to submit a written complaint. We will notify you of our decision regarding your complaint within 30 days of receiving it.

If you disagree with our decision after having submitted a written complaint, you can ask us in writing to formally reconsider your complaint. If your complaint relates to a claim for payment, your request should include:

The patient's name and identification number.

The date(s) of service(s).

The provider's name.

The reason you believe the claim should be paid.

Any new information to support your request for claim payment.

We will notify you of our decision regarding our reconsideration of your complaint within 60 days of receiving it. If you are not satisfied with our decision, you have the right to take your complaint to the Office of the Commissioner of Insurance.

Complaint Hearing

If you request a hearing, we will appoint a committee to resolve or recommend the resolution of your complaint. If your complaint is related to clinical matters, the Company may consult with, or seek the participation of, medical and/or vision experts as part of the complaint resolution process.

The committee will advise you of the date and place of your complaint hearing. The hearing will be held within 60 days following the receipt of your request by the Company, at which time the committee will review testimony, explanation or other information that it decides is necessary for a fair review of the complaint.

We will send you written notification of the committee's decision within 30 days of the conclusion of the hearing. If you are not satisfied with our decision, you have the right to take your complaint to the Office of the Commissioner of Insurance.

Section 9: Subrogation

Subrogation is the substitution of one person or entity in the place of another with reference to a lawful claim, demand or right. The Company will be subrogated to and will succeed to all rights of recovery, under any legal theory of any type, for the reasonable value of services and benefits provided by the Company to you from: (i) third parties, including any person alleged to have caused you to suffer injuries or damages; (ii) your employer; or (iii) any person or entity obligated to provide benefits or payments to you, including benefits or payments for underinsured or uninsured motorist protection (these third parties and persons or entities are collectively referred to as "Third Parties"). You agree to assign to the Company all rights of recovery against Third Parties, to the extent of the reasonable value of services and benefits provided by the Company, plus reasonable costs of collection.

You will cooperate with the Company in protecting the Company's legal rights to subrogation and reimbursement, and acknowledge that the Company's rights will be considered as the first priority claim against Third Parties, to be paid before any other claims by you are paid. You will do nothing to prejudice the Company's rights under this provision, either before or after the need for services or benefits under the Policy. The Company may, at its option, take necessary and appropriate action to preserve its rights under these subrogation provisions, including filing suit in your name. For the reasonable value of services provided under the Policy, the Company may collect, at its option, amounts from the proceeds of any settlement (whether before or after any determination of liability) or judgment that may be recovered by you or your legal representative, regardless of whether or not you have been fully compensated. You will hold in trust any proceeds of settlement or judgment for the benefit of the Company under these subrogation provisions and the Company will be entitled to recover reasonable attorney fees from you incurred in collecting proceeds held by you. You will not accept any settlement that does not fully compensate or reimburse the Company without the written approval of the Company. You agree to execute and deliver such documents (including a written confirmation of assignment, and consent to release vision records), and provide such help (including responding to requests for information about any accident or injuries and making court appearances) as may be reasonably requested by the Company.

Section 10: Refund of Expenses

Refund of Overpayments

If the Company pays benefits for expenses incurred on account of a Covered Person, that Covered Person or any other person or organization that was paid must make a refund to the Company if:

- A. All or some of the expenses were not paid by the Covered Person or did not legally have to be paid by the Covered Person;
- B. All or some of the payment made by the Company exceeded the benefits under the Policy; or
- C. All or some of the payment was made in error.

The refund equals the amount the Company paid in excess of the amount it should have paid under the Policy.

If the refund is due from another person or organization, the Covered Person agrees to help the Company get the refund when requested.

If the Covered Person, or any other person or organization that was paid, does not promptly refund the full amount, the Company may reduce the amount of any future benefits that are payable under the Policy. The Company may also reduce future benefits under any other group benefits plan administered by the Company for the Enrolling Group. The reductions will equal the amount of the required refund. The Company may have other rights in addition to the right to reduce future benefits.

Refund of Benefits Paid by Third-Parties

If the Company pays benefits for expenses incurred on account of a Covered Person, the Subscriber or any other person or organization that was paid must make a refund to the Company if all or some of the expenses were recovered from or paid by a source other than the Policy as a result of claims against a third party for negligence, wrongful acts or omissions. The refund equals the amount of the recovery or payment, up to the amount the Company paid.

If the refund is due from another person or organization, the Covered Person agrees to help the Company get the refund when requested.

If the Covered Person, or any other person or organization that was paid, does not promptly refund the full amount, the Company may reduce the amount of any future benefits that are payable under the Policy. The Company may also reduce future benefits under any other group benefits plan administered by the Company for the Enrolling Group. The reduction will equal the amount of the required refund. The Company may have other rights in addition to the right to reduce future benefits.

Section 11: Exclusions

The following Services and materials are excluded from coverage under the Policy:

1. Non-prescription items (e.g. Plano lenses).
2. Services that the Covered Person, without cost, obtains from any governmental organization or program.

8. Missed appointment charges.
9. Applicable sales tax charged on Services.

11. Procedures that are considered to be Experimental, Investigational or Unproven. The fact that an Experimental, Investigational or Unproven Service, treatment, device or pharmacological regimen is the only available treatment for a particular condition will not result in coverage if the procedure is considered to be Experimental, Investigational or Unproven in the treatment of that particular condition.

Continuation Coverage under Federal Law (COBRA)

Much of the language in this section comes from the federal law that governs continuation coverage. You should call your enrolling group's plan administrator if you have questions about your right to continue coverage.

In order to be eligible for continuation coverage under federal law, you must meet the definition of a "Qualified Beneficiary". A Qualified Beneficiary is any of the following persons who was covered under the policy on the day before a qualifying event:

- A subscriber.
- A subscriber's enrolled dependent, including with respect to the subscriber's children, a child born to or placed for adoption with the subscriber during a period of continuation coverage under federal law.
- A subscriber's former spouse.

Qualifying Events for Continuation Coverage under Federal Law (COBRA)

If the coverage of a Qualified Beneficiary would ordinarily terminate due to one of the following qualifying events, then the Qualified Beneficiary is entitled to continue coverage. The Qualified Beneficiary is entitled to elect the same coverage that she or he had on the day before the qualifying event.

The qualifying events with respect to an employee who is a Qualified Beneficiary are:

- A. Termination of the subscriber from employment with the enrolling group, for any reason other than gross misconduct.
- B. Reduction in the subscriber's hours of employment.

With respect to a subscriber's spouse or dependent child who is a Qualified Beneficiary, the qualifying events are:

- A. Termination of the subscriber from employment with the enrolling group, for any reason other than the subscriber's gross misconduct.
- B. Reduction in the subscriber's hours of employment.
- C. Death of the subscriber.
- D. Divorce or legal separation of the subscriber.
- E. Loss of eligibility by an enrolled dependent who is a child.
- F. Entitlement of the subscriber to Medicare benefits.
- G. The enrolling group filing for bankruptcy, under Title 11, United States Code. This is also a qualifying event for any retired subscriber and his or her enrolled dependents if there is a substantial elimination of coverage within one year before or after the date the bankruptcy was filed.

Notification Requirements and Election Period for Continuation Coverage under Federal Law (COBRA)

Notification Requirements for Qualifying Event

The subscriber or other Qualified Beneficiary must notify the enrolling group's plan administrator within 60 days of the latest of the date of the following events:

- The subscriber's divorce or legal separation, or an enrolled dependent's loss of eligibility as an enrolled dependent.
- The date the Qualified Beneficiary would lose coverage under the policy.
- The date on which the Qualified Beneficiary is informed of his or her obligation to provide notice and the procedures for providing such notice.

The subscriber or other Qualified Beneficiary must also notify the enrolling group's plan administrator when a second qualifying event occurs, which may extend continuation coverage.

If the subscriber or other Qualified Beneficiary fails to notify the enrolling group's plan administrator of these events within the 60 day period, the plan administrator is not obligated to provide continued coverage to the affected Qualified Beneficiary. If a subscriber is continuing coverage under federal law, the subscriber must notify the enrolling group's plan administrator within 60 days of the birth or adoption of a child.

Notification Requirements for Disability Determination or Change in Disability Status

The subscriber or other Qualified Beneficiary must notify the enrolling group's plan administrator as described under "Terminating Events for Continuation Coverage under Federal Law (COBRA)," subsection A. below.

The notice requirements will be satisfied by providing written notice to the enrolling group's plan administrator. The contents of the notice must be such that the plan administrator is able to determine the covered employee and Qualified Beneficiary or beneficiaries, the qualifying event or disability, and the date on which the qualifying event occurred.

None of the above notice requirements will be enforced if the subscriber or other Qualified Beneficiary is not informed of his or her obligations to provide such notice.

After providing notice to the enrolling group's plan administrator, the Qualified Beneficiary shall receive the continuation coverage and election notice. Continuation coverage must be elected by the later of 60 days after the qualifying event occurs; or 60 days after the Qualified Beneficiary receives notice of the continuation right from the plan administrator.

The Qualified Beneficiary's initial premium due to the plan administrator must be paid on or before the 45th day after electing continuation.

The Trade Act of 2002 amended COBRA to provide for a special second 60-day COBRA election period for certain employees who have experienced a termination or reduction of hours and who lose group health plan coverage as a result. The special second COBRA election period is available only to a very limited group of individuals: generally, those who are receiving trade adjustment assistance (TAA) or 'alternative trade adjustment assistance' under a federal law called the Trade Act of 1974. These employees are entitled to a second opportunity to elect COBRA coverage for themselves and certain family members (if they did not already elect COBRA coverage), but only within a limited period of 60 days from the first day of the month when an individual begins receiving TAA (or would be eligible to receive TAA but for the requirement that unemployment benefits be exhausted) and only during the six months immediately after their group health plan coverage ended.

If you qualify or may qualify for assistance under the Trade Act of 1974, contact the enrolling group for additional information. You must contact the enrolling group promptly after qualifying for assistance under the Trade Act of 1974 or you will lose your special COBRA rights. COBRA coverage elected during the special second election period is not retroactive to the date that plan coverage was lost but begins on the first day of the special second election period.

Terminating Events for Continuation Coverage under Federal Law (COBRA)

Continuation under the policy will end on the earliest of the following dates:

- A. Eighteen months from the date of the qualifying event, if the Qualified Beneficiary's coverage would have ended because the subscriber's employment was terminated or hours were reduced (i.e., qualifying event A.).

If a Qualified Beneficiary is determined to have been disabled under the Social Security Act at any time within the first 60 days of continuation coverage for qualifying event A. then the Qualified Beneficiary may elect an additional eleven months of continuation coverage (for a total of twenty-nine months of continued coverage) subject to the following conditions:

- Notice of such disability must be provided within the latest of 60 days after:
 - the determination of the disability; or
 - the date of the qualifying event; or
 - the date the Qualified Beneficiary would lose coverage under the policy; and
 - in no event later than the end of the first eighteen months.
- The Qualified Beneficiary must agree to pay any increase in the required premium for the additional eleven months.
- If the Qualified Beneficiary who is entitled to the eleven months of coverage has non-disabled family members who are also Qualified Beneficiaries, then those non-disabled Qualified Beneficiaries are also entitled to the additional eleven months of continuation coverage.

Notice of any final determination that the Qualified Beneficiary is no longer disabled must be provided within 30 days of such determination. Thereafter, continuation coverage may be terminated on the first day of the month that begins more than 30 days after the date of that determination.

- B. Thirty-six months from the date of the qualifying event for an enrolled dependent whose coverage ended because of the death of the subscriber, divorce or legal separation of the subscriber, or loss of eligibility by an enrolled dependent who is a child (i.e. qualifying events C., D., or E.).
- C. With respect to Qualified Beneficiaries, and to the extent that the subscriber was entitled to Medicare prior to the qualifying event:
- Eighteen months from the date of the subscriber's Medicare entitlement; or
 - Thirty-six months from the date of the subscriber's Medicare entitlement, if a second qualifying event (that was due to either the subscriber's termination of employment or the subscriber's work hours being reduced) occurs prior to the expiration of the eighteen months.

- D. With respect to Qualified Beneficiaries, and to the extent that the subscriber became entitled to Medicare subsequent to the qualifying event:
- Thirty-six months from the date of the subscriber's termination from employment or work hours being reduced (first qualifying event) if:
 - The subscriber's Medicare entitlement occurs within the eighteen month continuation period; and
 - If, absent the first qualifying event, the Medicare entitlement would have resulted in a loss of coverage for the Qualified Beneficiary under the group health plan.
- E. The date coverage terminates under the policy for failure to make timely payment of the premium.
- F. The date, after electing continuation coverage, that coverage is first obtained under any other group health plan. If such coverage contains a limitation or exclusion with respect to any pre-existing condition, continuation shall end on the date such limitation or exclusion ends. The other group health coverage shall be primary for all health services except those health services that are subject to the pre-existing condition limitation or exclusion.
- G. The date, after electing continuation coverage, that the Qualified Beneficiary first becomes entitled to Medicare, except that this shall not apply in the event that coverage was terminated because the enrolling group filed for bankruptcy, (i.e. qualifying event G.). If the Qualified Beneficiary was entitled to continuation because the enrolling group filed for bankruptcy, (i.e. qualifying event G.) and the retired subscriber dies during the continuation period, then the other Qualified Beneficiaries shall be entitled to continue coverage for thirty-six months from the date of the subscriber's death.
- H. The date the entire policy ends.
- I. The date coverage would otherwise terminate under the policy.

Statement of Employee Retirement Income Security Act of 1974 (ERISA) Rights

As a participant in the plan, you are entitled to certain rights and protections under the *Employee Retirement Income Security Act of 1974 (ERISA)*.

Receive Information About Your Plan and Benefits

You are entitled to examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the *U.S. Department of Labor* and available at the *Public Disclosure Room* of the *Employee Benefits Security Administration*.

You are entitled to obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated *Summary Plan Description*. The Plan Administrator may make a reasonable charge for the copies.

You are entitled to receive a summary of the plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of the summary annual report.

Continue Group Health Plan Coverage

You are entitled to continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. The Plan Sponsor is responsible for providing you notice of your *COBRA* continuation rights. Review this *Summary Plan Description* and the documents governing the plan on the rules governing your *COBRA* continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, *ERISA* imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under *ERISA*.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under *ERISA*, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the *U.S. Department of Labor*, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under *ERISA*, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the *Employee Benefits Security Administration, United States Department of Labor* listed in your telephone directory or the *Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor*, 200 Constitution Avenue, N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under *ERISA* by calling the publication hotline of the *Employee Benefits Security Administration*.
