

Hi Everyone,

This Monday we honor the Labor Day holiday, an annual celebration of workers and their achievements. We have much to celebrate at UCP, especially when it comes to you, our exceptional employees! Our agency has existed in this community for over 70 years and over these past 18 months we have pulled together even more to support each other and those we serve in amazing ways. Our quality of services and reputation in the community continue to be extremely high and that is directly attributed to your commitment, expertise, passion, and hard work. I hope you feel proud to talk about your work and the mission that we strive for at UCP as you celebrate with friends and family this weekend.

Please continue to take precautions against COVID-19. This pandemic continues. I, like you, am extremely tired of wearing a mask, keeping distance from others and refraining from indoor gatherings. However, until this virus and its mutations can be overcome, we must be diligent about protecting ourselves and others from illness/death.

Please do enjoy your long weekend! Take time to rest, relax and reflect. To those OakLeaf Group Home staff and any other staff working from home or in the community this weekend, a special thank you.

Gratefully,
Trish
