

## REMINDER: UCP Sweatshirt and Long Sleeve Shirt Sale ends THIS Sunday!

Hi everyone,

Just a reminder that the **UCP Sweatshirt & Long Sleeve Shirt Sale will end this Sunday, January 22!** So make sure to purchase your hoodies, crewneck sweatshirts and/or long sleeve shirts by then. We will ONLY be placing an order for what is purchased (we will not order any extras), so make sure you don't miss out!

How to order:

- 1) Go to <http://bidpal.net/ucpshirt>. Click "SIGN IN" in the top right-hand corner and complete the registration form that pops up. You must add your credit card information in order to purchase items.
- 2) Now you're ready to purchase shirts/sweatshirts in the "Browse Items→All Items" section! Click on the style/color/size you wish to purchase, then click the blue button that says "1 for \$PRICE," and then lastly click "CONFIRM PURCHASE" on the next screen. Repeat this process if you wish to purchase additional shirts/sweatshirts. Please note that there are two pages of items!
- 3) To see everything you have bought and/or view your receipt, go to "MENU" in the top left part of the screen and click "Your Activity."
- 4) You can choose to cover the credit card processing fee (which is \$0.80 per long sleeve shirt, \$1 per crewneck or \$1.20 per hoodie).

A few details to note:

- **The hoodies are \$30 each, the crewnecks are \$25 each, and the long sleeve t-shirts are \$20 each.**
- All the hoodies and crewneck sweatshirts are 60% cotton/ 40% polyester and are very soft to the touch because of the vintage wash process. They also include thumb holes on sleeves! Please allow for slight variation and fading/pilling. To avoid pilling, wash the sweatshirt inside out.
- The long sleeve shirts are the Comfort Colors brand (the same brand that we gave out during Employee Appreciation Week in 2020). They are made of 6.1-oz, preshrunk 100% ringspun cotton. Fabric is soft washed and garment dyed for added softness.
- Sweatshirts and shirts will NOT be shipped. You must be able to pick up from UCP of Greater Cleveland's Wolstein Center. We will alert you once the order is in.

You are welcome to forward this email to clients and client families, but please stress that they will need to pick up from UCP's Wolstein Center!

Thank you!

Emily
